1 June 1967

	SUBJECT: Meeting of 31 May 1967
STAT	distributed a paper presenting his comments
	on the coordination of research and development.
	2. The actions taken towards Agency-wide coordination of
	research and development since August 1965 were reviewed
STAT	including draft Notice
STAT	
STAT	3. with minor modification and clarification,
Ĭ	appeared to be consistent and compatible with the actions needed
	to resolve the TSD/ORD interface.
